# Cataract and Comprehensive Ophthalmology & Oculoplastic Update For Family Physicians

## Course Outline

The faculty will discuss some of the common eye conditions Family Physicians are presented with by their patients. Through case scenarios and lectures, they will advise what you can do and when to refer. The latest treatment modalities available and who are suitable for these will also be shared.

### Course Director

Dr Allan FONG  
*M Med(Ophth), MRCOphth, FRCSEd, FAMS*
